OSHC Hub Groups January 2011

- Some services may not be listed as OSHCsa is not currently advised of new services or service closures – please email us if your service has been missed
- If you wish to be moved to another group please let us know and we will change our lists accordingly. **We want all services to be listed in a group.**
- For each group, there is an established email list – to help us to keep this up to date please advise us if there is a new email address.
- To alleviate the need to make such changes, OSHC recommends that all services have a generic email address – e.g. oshc.director@funnyfaceps@stillwater.com
- OSHCsa will only use email addresses to keep services informed and list will not be given to other agencies.
