

What do you get with your OSHC (SA) Association Membership ?

- An opportunity to gain an improved understanding of OSHC issues.
- An opportunity to seek clarification, and access peer support and mentoring.
- An opportunity to add your concerns to input to government at all levels.
- Input into consultative meetings with policy makers.
- A voice in decision making about school aged care and a chance to make improvements.
- Up to date information from NOSHSA and government agencies and an invitation to offer comments .
- Opportunities to network with peers and other peak groups.
- Opportunities for personal growth and development to further your career.

With your membership of the Association in SA you also become a member of NOSHSA (The national peak group for OSHC) .

You will receive any relevant information from NOSHSA and have opportunities to give feedback at that level.

The state Association nominates 2 delegates to represent state issues to the national group.

The Aims of the OSHC Association (SA) Inc.:

- To promote practices that will assist services to enrich the lives of children in OSHC .
- To support families and invite their input into OSHC service practices.
- To promote, resource and support OSHC services, staff and management.
- As the official voice of the sector, the Association will make representation and put forward our position to all levels of government and the wider community.
- To actively promote universal awareness of OSHC, highlight the positive attributes and potential of services; both as a strategic place where children’s development can enhanced and as a rewarding place of employment.

Meetings are advertised on the website and members will receive emails relating to meetings. Check the website for the latest minutes and other information

The Association’s Focus for 2009/2010

- Support members via a renewed web site
- Lobby for better outcomes for all OSHC stakeholders
- Seek clarity of issues and to seek change as required
- Building a professional and effective peak body that is known and supported by the whole sector
- To develop a stronger relationship with the families who are dependent on OSHC

Who can be members:

Directors, School Principals, OSHC Staff of services from any setting, plus parents and other interested people.

If you wish to have matters raised but cannot attend meetings, ask a board member to raise your concerns, or write/email to us.
